Extended Schools

Street Art

We were delighted to have Street Artist/Food Ambassador Tim McCarthy in working with the Art Department. Together the pupils and Tim produced amazing graffiti/wall art which now permanently adorns our post Primary entrance. Tim will be back in 2017 to work on a food project with the Home Economics department, and a collaborative art project with our friends from Glenveagh School.

SENsations

Thank you to those parents who have supported our SENsations workshops; these have been hugely informative, reassuring and useful. Dr Caughey and her team will return in the New Year to run sessions for staff.

icode

The Taekwondo club has now finished and is to be replaced by a new, very exciting after schools club. The icode club will be open to Key Stage 2 and 3 (P5, 6, and 7 and Years 8, 9 and 10) and will run on Wednesday afternoons from 3-4 (from 18th January 2017). This innovative club will give the pupils opportunities to program their own games, take part in coding and Minecraft challenges and flying drones! Further details will be sent home before Christmas.
